

# RIMOWA

## PROJECT MANAGER (M/W/D)

Welcome to RIMOWA, the first German Maison of the LVMH Group. We are a global lifestyle brand with a mission to create the essential tools for a lifetime of travel. For more than 120 years, we've dedicated ourselves to develop unique products where function coexists with luxury, heritage with innovation, and craftsmanship with design.

At RIMOWA we believe that great ambitions demand resilient companions. It's why our tools are created with longevity in mind. Because the most meaningful journeys last more than a trip, they last a lifetime. Please join us to discover your own.

### WHAT WE HAVE TO OFFER:

RIMOWA has a unique opportunity for a Project Manager to join the Development team, to support on the design and the development of all the future RIMOWA products.

For Rimowa to keep writing its success story, the Development department will perpetuate the premium quality and the innovation as key drivers to take up the brand's ambitious goals in terms of product creativity.

The Project Manager is responsible for product definition and leads projects for product development: style and technical design, cost, homologation, project schedule and budget management.

### YOUR RESPONSIBILITIES:

- Analyse marketing briefs and style design proposals
- Realize project feasibility studies
- Design products architectures proposals with key facts for exchange and decision-making
- Conceive and realize with the development team the most efficient deliverables for decision-making
- Create and validate the product specifications and product design justification files
- Prepare and manage the product and project risk analysis
- Define and handle the project schedule and milestones such as project budget and product unit cost
- Manage the project team, define tasks and required resources
- Track and report on project KPI's and progress
- Monitor project communication with internal departments and external partners

### YOUR PROFILE:

- Bachelor or Master's degree in Engineering or equivalent field with at least 3 years' experience in Project Management
- Experience in project management in B2C organizations with cross-functional teams (Marketing, Design and Industrial, Supply)
- Experience in consumer goods industry and technical environments (for example automotive, travel, sports, electronic devices)
- Expertise appreciated in plastic and metal transformation and decoration processes
- Knowledge in composites material and manufacturing processes as well as experience with foam, textile and leather transformation processes is appreciated
- Strong communication skills, both verbally and in writing in German and English
- Creative and innovative mindset to develop and drive new concepts

### APPLICATION:

We would kindly ask you to send your complete application, including your salary expectations and the earliest commencement date, as PDF file to [people@rimowa.com](mailto:people@rimowa.com)
