

RIMOWA

PROTOTYPE MANAGER (F/M/D)

Welcome to RIMOWA, the first German Maison of the LVMH Group. We are a global lifestyle brand with a mission to create the essential tools for a lifetime of travel. For more than 120 years, we've dedicated ourselves to develop unique products where function coexists with luxury, heritage with innovation, and craftsmanship with design.

At RIMOWA we believe that great ambitions demand resilient companions. It's why our tools are created with longevity in mind. Because the most meaningful journeys last more than a trip, they last a lifetime. Please join us to discover your own.

APPLICATION:

We would kindly ask you to send your complete application documents, including your salary expectations and the earliest commencement date as PDF via Email to people@rimowa.com

WHAT WE HAVE TO OFFER:

RIMOWA has a unique opportunity for a prototype manager to join the Development team, to support on the design and the development of all the future RIMOWA products.

For RIMOWA to keep writing its success story, the Development will perpetuate the premium quality and the innovation as key drivers to take up the company ambitious challenges in terms of product creativity.

The prototype manager manages the virtual and physical prototyping activities inside the Development team: virtual studio, 3D modelling and physical prototyping.

YOUR RESPONSIBILITIES:

- Creation of the digital mock ups to illustrate style and technical options in collaboration with style designers
- Creation of the sketch modelling 3D with Alias, Icem Surf or Rhino
- Creation of the 3D renderings with Alias, Icem Surf, Rhino, Keyshot, Maya or 3ds Max
- Creation of the 2D graphic sketches with Adobe suite: Illustrator, Photoshop, etc.
- Management of the external resources required by the Virtual Studio activities
- Creation of the A-Class surfaces 3D models with Alias, Icem Surf or Rhino to match with style and technical requirements
- Design and manufacturing of the physical prototypes following the project steps: concepts, mock ups, prototypes

PROFILE:

We would like to speak to professionals who possess an Industrial Design master's degree in conjunction with at least 10 years' experience in Industrial design.

Furthermore, we seek:

- Experience in consumer goods industrial design: automotive, travel, sports, electronic devices etc.
- Expertise required in at least one 3D modelling software Alias, Icem Surf or Rhino
- Expertise required in at least one 3D rendering software Alias, Icem Surf, Rhino, Keyshot, Maya or 3ds Max
- Experience required in 2D graphic sketches with Adobe suite: Illustrator, Photoshop, etc.
- Experience required in physical prototyping processes
- Effective communication skills, both verbally and in writing in German and English
- Creative, curious mindset to help develop and drive new concepts
